1-22-20

Good afternoon, Sara & John,

Attached is a proposed court order. Because the motion on file is a motion to dismiss for lack of proper jurisdiction, I think the proper procedure is to dismiss the case in the Northern District - *without prejudice to you refiling in the Missouri*.

If this meets with your approval, we can have it filed tomorrow by stipulation.

I've also been advised that the defendant Reliable Transportation has recently been served with summons in the Northern District – and I think Reliable's appearance is due 1-23-20. Reliable's defense has been tendered to Nationwide (BSB's insurer), but the tender is under legal review. (I am copying Nationwide's counsel Jon Hughes on this email). In light of the fact that the case is going to end up in Missouri, do you have an objection to allowing Reliable not appear in the Northern District case?

Let's please plan on discussing these issues on Thursday (1-23).

Mr. Fulbright:

Rather than filing a response to the pending motions, Plaintiff will not oppose the transfer of this case to the Eastern District of Missouri. By copy of this e mail to Mr. Hoag, the parties will prepare and submit an agreed order as recommended by Judge Norgle.

Thank you for your consideration.
